ABSTRACT

This is a modification of Palinkas' SIEU - we removed items 16-20 because they were not appropriate for an educational setting. We also changed language to be more consistent with educational terminology (e.g., Agency changed to School District).

PROTOCOL STATUS

Working

The protocol was piloted with 28 school district leaders in Arizona. We then ran it with 200 more leaders from Indiana. We found that structure of the instrument held up as supported by CFA.
