Protocol

Create Cyverse account

Step 1.

Connect to [Cyverse](#) and create your account. If you already have an account, please go to step 2.

Logging into iMicrobe

Step 2.

Once your Cyverse account is created, you have access to iMicrobe.

In order to log into [iMicrobe](#), click on the 'Log In' tab. You will be automatically redirected to the Cyverse authentication page. Enter your Cyverse user name and password.

Once you have signed in, you'll be redirected to the iMicrobe webpage.

Discover your personal iMicrobe dashboard

Step 3.

Once you have logged into iMicrobe, you have access to your personal dashboard.

To access your dashboard, click on the 'My Account' tab, and then on 'Dashboard'. Alternatively, you can click on the Dashboard icon at the top right of the webpage.
